Dear Business Improvement Districts,

I would like to thank those of you who have already extended this invitation to all the small businesses and organizations within your district. Going through the attendee list, I see that some of you will be joining us as well. Thank you for actively trying to involve all businesses and organizations within your district to be QuakeSmart ready.

The Workshops will provide an overview of the [QuakeSmart Community Resilience Program for Businesses and Organizations](#). Participants will be able to review and implement business continuity planning and mitigation project plans through the simple, step-by-step planning tools in the QuakeSmart Program.

The workshop is less than 3 weeks away! Please encourage more businesses and organizations to register and join us for this **FREE** workshop.

Thank you for your continuous support,
